Foreword

Unfortunately last week's result proved to be an anti-climax after the build up the match received. The local side was too big, too experienced and talented for the visiting South Australians who admittedly did not field their strongest team. ...

If the league ventures interstate next year I hope that they have learned from the South Australian trip and arrive several days before the game as any prestige we gained by our win could be wiped out if we fail as they did.

Today the fight for the finals continue and all sides challenging for the four face a hard task from now to the end of the season.

TODAY'S GAMES:

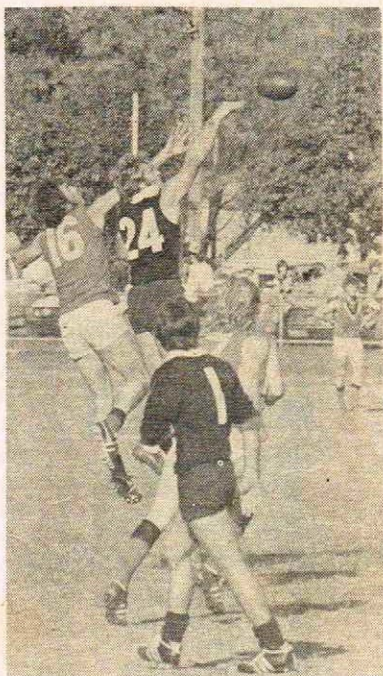

Armada v Gosnells If Armada wins this they are certain finalists however gosnells will be too strong.

Mandurah v Kelmscott Kelmscott

Kenwick v Canning Canning face a vital test and will win.

Thornlie v Kalamunda Kalamunda to win.

Maddington v Kwinana Maddington easily.

Brian Andrijick Rucks strongly against the River Murray League.

THE KNIGHTS NOTES

Two weeks ago we recorded a much needed victory over Mandurah. Both games were of a fairly high standard and it was evident that all players were prepared to help their team mates instead of resting on their morals.

Best Players: League: W. Turnbull, T. Davis, F. Legena and A. Donovan.
Seconds: S. Smith, I. Riseberry, T. Read and A. Gow.

It is very pleasing to see the young players in both sides acquitting themselves extremely well and further experience is bound to bring bigger and better results for them and the club. Special congratulations go to G. Cukrov and M. Donovan for the good games they produced for the combined teams last week.

The attendance at the busy-bee on the club-rooms two weeks ago was very good and the committee is looking forward to continued support. There are still many players yet to show their faces at busy-bees, club functions and junior training sessions and once again they are reminded of their obligations to the club.

Attendance at "Gunshee" last Sunday was very good and everyone enjoyed themselves very much (some too much in fact). Thanks go to Gunther and Sheila on a tremendous effort in assisting the club and presenting a terrific champagne and chicken breakfast.

This week we meet Maddington and will be trying our hardest to beat the Bull. Don't put our club in the same boat as Thornlie and Mandurah by not staying behind for a drink at Maddington after the game.

KING ARTHUR.

MIGHTY ROYALS

In our last set of qualifying games we travelled to Hartfield Park to do battle with Kalamunda. The reserves, as usual, won quite convincingly after a slow start. Kalamunda reserves put up some opposition for awhile, but then we got going and ended up winning by over 20 goals. Players who performed well were John Ballantyne, Mick Strang, Wayne Ogg, Darryl Ogg, Alan Earnshaw and Angie Fimognari.

The tables were turned in the league match where Kalamunda completely outclassed us. We had too many passengers in the side and it now looks like any hopes we had of making the four have now disappeared.

We still have a good side and the teams we play from now on will not want to take us too easy. Best players in the last game were John Riseley, Alf Stal and Greg Narrier.

On the brighter side of things, last week eight of our players represented the S.S.M.N.F.L. Darryl Ogg, Ken Staines, Ralph Martin, Angie Fimognari and Neil Fry played in the reserves team that outclassed the Combined Services team by over 8 goals. All our boys played well and thoroughly deserved their places in the team. Congratulations to John Riseley on being the successful coach. John, Alf Stal and Ray Winduss were members of the league team that thrashed the River River Murray League from South Australia.

Kenwick players were also successful during the half time interval of the league match. In the two events that were for fast guys only, Wayne Robins, Norm Miller, Wayne Off and Gary Worthington won the four-man relay event, despite strong opposition from members of the other clubs. Each runner won for himself an Adidas track suit. Kevin Wilson won himself \$50 for winning the 100m dash. Kevin won this race quite easily and only at 3/4 pace.

Congratulations to the social committee for all the hard work they put in to make the Ball one of the best we have ever had. Congratulations also to Norm and Caren Miller on the recent arrival of their baby boy.

This week we are the hosts of the Canning Football Club and let's try for the double to make up for the last game.

HAVVA

KOUGARS

Last week's caberet was a great success, enjoyed by a large crowd who were treated to a great band and an excellent supper. If you were one of the players present, then make sure you mention to those players who did not attend, what a great night it was.

Our thanks to the ladies who provided such an excellent supper and to those people who worked behind the scenes on the night.

Although it was two weeks ago, our win over Kenwick is still fresh in our minds. It was a great four quarter effort for which we had been looking for, for many weeks. Congratulations to Wayne Barnett for his great effort in the centre, also great games by Greg O'Mara, Vince Capriotti and Ed Mularczyk. A Welcome return to the playing field by Ian Price.

Today's game against Thornlie is a must for both the League and the Reserve teams, for although Thornlie have not won a game, they have, by all reports been steadily improving and cannot be taken lightly. Any player expecting an easy win is likely to find himself on a losing team. Today is a day when we can consolidate on our recent improvement in form, but only if every player does his bit, and contributes to the overall team effort.

The Reserves also can look forward to a win today, if they put into practice all of what Coach Syd Jackson has been showing them at training. Application and determination are called for in great quantities for today's game.

THE HAWKS

The Mighty Hawks proved too strong in both the League and Reserves matches against Kelmscott last Sunday and registered another great double victory.

The League side whilst slow to start withstood the pressure applied by the opposition and fought back in what proved to be one of the most physical and toughest matches this season. Ian Gibson played an outstanding game as did Barry Woodhead, Ray Minson, Carl Palinkas, Grant Denning and Ken Harris. Congratulations fellas.

The Reserves side again performed well with all players contributing to a great team effort, Laurie Ricetti put in a class performance and was voted the best player. Other players who excelled were Brian Antunovich, Steve Moore, Dale Chapman and Greg Devine.

Congratulations to all players of the Under 19's who registered an outstanding result against Thornlie winning by some 36 goals. In this game Andrew Lewis won the Ampol Award which reflected his perseverance as it was his first time in the voting. Bob Datton also put in a great effort and took out second honours and Garry Reynolds contributed by playing extremely well.

A great deal of credit for our Senior Teams successful performance must go to our most experienced and unselfish trainers, Trevor Loudley, Buck Scudds and Bruce Angwin. These ever willing and dedicated club men have proved vital in keeping our players mobile and will their continued efforts we should combine to make 77 the year for the Mighty Hawks.

H.H.

THE LIONS

A win at last and a well-earned one in the reserves game the week before last against Armadale. A goal in the first minute set the pattern of play, which continued throughout the battle with Ray Cooper dynamic in front of goals. Steve Vickers marking soundly and others giving support, Graham, Andy, Arthur and Bob Laurie but in two words — team work 100%. Also good tactics having a runner advise and guide players (looks impressive).

In the league match, after holding our opponents to a 2 goal difference at half-time,

we were unable to keep up the fight and went down slowly but surely. Don't let this dampen our spirits but aim at giving everything for the full 4 quarters in the next game. Better performances by reliable Allan Osborne, Coach Whyte, steadfast worker Neil Corker and star material Gavin Cockran.

Club Notes: Help support players for their end of season trip (with wives?) by having your car washed at the Ampol Thornlie Square on Saturday mornings. Worth see the boys in action.

Friday 8th July. — Gosnells Civic Centre, "say no more" see you there.

Happy Days,

DEMONS DIGEST

1977 65 YEARS YOUNG

After a break from our fixtures, we continue with a home game this week, this time as hosts to the Hawks from Gosnells. After our last game against the Hawks, "J.W.C." of the Hawks column said that "the game against Armadale was a training run . . ." Well, your training run is over Gosnells, today is the real thing, right you Demons? Win or lose you Hawks, come and have a drink with us afterwards! Against Thornlie two weeks ago at Gwynne Park, the League side got back on course again with a very good win. Best player for this game was Charlie Tenardi, closely followed by Max Van Helden. The mark of the day went to Bruce Norton.

The reserves game was stacked with potential league side players, but could not come back strongly enough to make up the early break that the Lions had won for themselves. Best players for this game were Allan Narkle, Gary Coles, Peter Griffiths and Reg Turner. Come on fellas, get that Demon fire in your bellies today!

The Under 18's returned to the "winners enclosure" when they beat Kelmescott at Gwynne Park by five points. Best players in this game were Vince Vlasich (21C's), Dave Lane and Gary Atkins.

The Under 16's also beat Kelmescott on their ground, by some eight goals. This was a good all round effort for four quarters, with Keith Eastcott emerging as the best player for the Demons. Keep on Demomin' on!

Welcome to the Club, Allan Narkle, Danny Civich and Mike Newman.

JOHNNIE ROWE: Our seconds coach and league player, "Rowie" had a nasty accident at work two weeks ago, when he badly cut his fingers. We all know the character of Rowie, and I'm sure he'll be back soon driving his team on again, and wagging those fingers at them as good as ever! Best wishes for a speedy safe healing mate, we're with you! (thanks 6IX).
